REQUESTED ZONING CLASSIFICATION: "B3" General Business District

AREA: 1.2 acres

COMMENTS: None

OBJECTORS: Yes

PLANNING COMMISSION RECOMMENDATION:

Recommend denial. The requested B-3 zoning allows the most intensive commercial uses which are not appropriate adjacent to a residential area and would be out of character with other rezonings granted in the immediate area.

SANGAMON COUNTY BOARD OF APPEALS
RECOMMENDATION:

Denial of "B3" zoning but in the alternative approval of "B2" zoning.

- (i) Existing uses of property within the general area of the property in question.

To the west is vacant land, directly south are single family residences, directly east is a mix of two mobile homes among single family residences and a cake bakery. To the north is a mobile home park.

- (ii) The zoning classification of property within the general area of the property in question.

To the west is city B-1, directly south is R-2, directly east is R-2 and RM-4, to the north is county B-2.

- (iii) The suitability of the property in question to the uses permitted under the existing zoning classification.

Although zoned R-3 (General Residence District) the northern part of the property is developed with a mobile home park that was "grandfathered in" as a non-conforming use. The southern two lots are zoned "O" (Office) and are developed with an office building.

- (iv) The trend of development, within the vicinity since the property was originally classified.

The 2 southern most parcels included in the subject property were rezoned to OFF in 1994 and 1997. Property directly east was rezoned to RM-4 in 1994. A use variance for a cake bakery was granted to the east in 1998. Property to the north was rezoned to B-2 in 1999 but has not developed under that commercial zoning. Single family residences remain to the south and east.
