13. Resolution authorizing the issuance and sale by the County of its Economic Development Revenue Bonds, Springfield Urban League Project, Series 2007.

A voice vote was unanimous on the motion to consolidate. Mr. Goleman pointed out that the Tax Levies are a little less than last year, which means a person who has a fair market assessed value on a house in Sangamon County will see about a \$.28 savings. This proves that the leadership of this Board is committed to having a prudent fiscally strong budget.

Chairman VanMeter stated that there were cynics who said last year, when they reduced the property tax substantially, after paying off this facility, that next year they would raise taxes back after the Election was over. This action tonight gives proof to the fact they meant what they said and did lower taxes for the taxpayers of Sangamon County. Mr. Goleman stated that it continues to say they made a promise and they kept the promise.

A motion was made by Mr. Goleman, seconded by Mrs. Long, that the roll call vote for Resolution 2 stand as the roll call vote for Resolutions 10 – 13, as consolidated. A voice vote was unanimous.
