

WHEREAS, the Sangamon County jail currently uses an HP3000 mainframe server to support our CIMIS (Correctional Institution Management Information System) program; and,

WHEREAS, the Sangamon County Sheriff's Office and all local law enforcement agencies are being required by the State of Illinois to change from an HP3000 server to a SQL server. The State of Illinois will no longer support HP3000 mainframes. Therefore, requiring the purchase of a SQL server and license; and,

WHEREAS, a number of providers were contacted to offer competitive price quotes; and,

WHEREAS, the FY06 general fund budget for the Sheriff's Office, the fiscal year beginning December 1, 2005 and ending November 30, 2006, did not reflect this expenditure since it was budgeted for through capital expenditure funds; and

WHEREAS, capital expenditure funds at this time are insufficient to accommodate this expenditure while the Sheriff's Office PTI Fund029 has sufficient cash balance available for this expenditure;

NOW, THEREFORE, BE IT RESOLVED by the Sangamon County Board, in session this 14th day of March, 2005 that PFOHOL Solutions to be paid an amount not to exceed \$21,948, from Fund 029 (PTI Fund) Account 601.000, is hereby approved.
