THIS MATTER, Coming on for a hearing before the Sangamon County Zoning Board of Appeals of Sangamon County, Illinois, and it appearing to said Board that a petition for **variances** of the Zoning Regulations of said County has been filed herein by the above captioned petitioner (s); that legal publication has been made pursuant to law; and that a public hearing was held on **September 18, 2008** pursuant to law; and that said Board took testimony of witnesses, examined the evidence, and otherwise being fully advised in the premises, therefore finds as follows:

1. That said Board has jurisdiction to consider the petition filed herein.
2. That the above-captioned petitioner(s) is the owner(s) and/or has a beneficial interest in or contract to purchase the property commonly known as **12609 State Rt. 125, Pleasant Plains, IL 62677** and more particularly described as:

3. That the present zoning of said property is "A" Agricultural District.
4. That the present land use of said property residence, timberland, and pasture.
5. That the proposed land use of said property is to divide the property for a new home site.

7. That required findings and standards of the Sangamon County Board of Appeals are accurately stated on the attached exhibit (s).
8. The evidence adduced at the hearing does support the proposition that the adoption of the proposed variances is in the public interest and is not solely in the interest of the petitioner(s).

**SANGAMON COUNTY
RECOMMENDED - STANDARDS FOR VARIATIONS**

Case #: 2008-56

Address: 12609 State Rt. 125

The Zoning Board of Appeals shall not recommend to the Sangamon County Board that the regulations of this ordinance be varied as authorized in F. (1) hereof, unless it shall make findings of fact based upon the evidence presented to it in each specified case:

- (i) that the property in question cannot be economically used or yield a reasonable return, if permitted to be used only for the conditions allowed by the regulations.

The request is made to facilitate division of the property.

- (ii) that the plight of the owner is due to circumstances unique to the property and not generally applicable to other property in the area.

The variance would allow the existing home, which sits a considerable distance from the road, to be divided from the property.

- (iii) that the variation, if granted, will not alter the essential character of the locality, impair an adequate supply of light and air to adjacent property, increase the congestion of traffic, or diminish or impair property values in the locality.

No negative impact is anticipated.
