

RESOLUTION NO. 15-1

**WHEREAS**, the Sangamon County Information Systems Department IBM System Software has become outdated and will no longer be supported by IBM;

**WHEREAS**, the Sangamon County Information Systems Department has prepared a plan to update the IBM System Software to a supported system which will provide for improved functionality as well as a supported system. The IBM System is very integral to the daily operation of the Information Systems Department and the County. It provides support for our County wide Finance System, Property Tax System, and numerous other departmental line of business applications.

**NOW, THEREFORE, BE IT RESOLVED**, that the Members of the Board of Sangamon County, Illinois, in session this 12th day of May, 2015, hereby approve funding for updating the IBM System Software at a cost not to exceed \$20,000.
