

RESOLUTION NO. 16-1

WHEREAS, Sangamon County's Microsoft Network Servers and Email System has become outdated and will no longer be supported;

WHEREAS, the Sangamon County Information Systems Department has prepared a plan to update the Network Servers and Email System to a supported system which will provide for improved functionality, increased capacity, and a vendor supported system. The Network Servers and Email System are very integral to the daily operation of Sangamon County. The Network Servers provide support for the email system; numerous departmental line of business applications, computer file storage, and network printing support.

NOW, THEREFORE, BE IT RESOLVED, that the Members of the Board of Sangamon County, Illinois, in session this 12th day of May, 2015, hereby approve funding for updating the Sangamon County Network Servers and Email System at a cost not to exceed \$375,000.
