RESOLUTION

WHEREAS, in accordance with Section 15-316(a) of the Illinois Vehicle Code (625 ILCS Act 5) local authorities may regulate load limits on highways under their jurisdiction for a period not to exceed ninety (90) days each year whenever heavier loads would result in serious road damage; and,

Sangamon County Clerk

WHEREAS, Resolution 6 of the Board of Supervisors of Sangamon County in regular session assembled on the 12th day of December, A.D., 1967 established a load limit of not to exceed fifteen (15) tons from January 15th to April 15th on all County Highways in Patrol #2, including, but not limited to, County Highway 1 – Sherman Road from the structure spanning Interstate 55 to County Highway 16 – Buffalo Hart Road; and,

WHEREAS, current mapping maintained by the Sangamon County Highway Department indicate the 1.25 miles between IL Route 54 and County Highway 16 – Buffalo Hart Road have previously been removed from the ninety (90) day load limit; and,

WHEREAS, a recent study performed by Applied Research Associates, Inc. of Champaign, Illinois concluded that Sangamon County has improved County Highway #1 – Sherman Road to the point that a season load limit is not necessary.
